FLAT HANDLE, SHARP DETAIL

The image features two makeup brushes with a rose-gold finish. The brushes have a flat, sculpted handle with a sharp detail. The bristles are dark and dense. The background consists of flowing, liquid gold or bronze, creating a sense of movement and luxury. The overall aesthetic is modern and elegant.

ERGONOMIC FLAT HANDLE

Designed with a finger groove to fit your grip perfectly, ensuring precise control and a non-slip hold—even for beginners

SLEEK, SCULPTED DESIGN

Long, sleek rose-gold bodies bring a retro-lux feel to any makeup table.

EFFORTLESS, POLISHED APPLICATION

Brush shapes built for both soft blending and precise detailing

MICRO PORE COVER

The foundation brush is made of dense fiber wool, which effectively covers small pores without clumping or creating brush marks.

DELICATE APPLICATION

Round-Shape brush covers narrow spots easily. Make precise application on eye zone and nose tip.
