

HAIR REMOVAL RAZOR

Fits The Skin Closely Flexible Shaving Without Damage

5 Durable
Blades

Flexible Refill

Lubricating
Soap Bars

Pivoting Head

The refill can be swung back and forth 90 degrees to better fit the contour of the skin and reduce discomfort when shaving.

Non-slip Handle

The shaving handle has a wave design on the front, increases friction and comfort when in use.

MORE OPTION

Replaceable cutter head design with cartridges available in three or five blades for choice.
