PRECISION BRUSH TIP

Easy brush on applicator

Our easy glide brush on applicator makes applying glue to your falsies easier than ever

STRONG HOLD

Quick dry & Long-wearing

HOW TO USE

STEP 1: CHECK FIT

Check fit of the lash band against your natural lashes

STEP 2: APPLY ADHESIVE

Apply a thin line along base of false lash (never apply directly to your eyelids).

STEP 3: APPLY LASHES

Once tacky to the touch, apply the lashes over your natural lash line and hold into place.
