LASHES LOOK LONGER, THICKER, FULLER

A close-up photograph of a woman's eyes, showing her natural eyelashes. The lashes are short and straight. The woman has light blue eyes and is looking directly at the camera.

BEFORE

A close-up photograph of the same woman's eyes, showing the result of using the eyelash curler. The lashes are now curled upwards, appear thicker, and more voluminous. The woman is looking directly at the camera.
