clip out their favorite degree of warping

LASHES LOOK LONGER, THICKER, FULLER

A close-up photograph of a person's eyes, showing natural, straight eyelashes. The person has light blue eyes and well-defined eyebrows.

BEFORE

A close-up photograph of the same person's eyes, showing the result of the eyelash treatment. The eyelashes are now significantly longer, thicker, and have a pronounced upward curve, making the eyes appear larger and more defined.

AFTER

10cm
